

WHO ARE WE?

Beatrice White

Communications Officer

At ACR+

Beatrice White is Communications Officer at ACR+, responsible for the European coordination of the **European Week for Waste Reduction** and assisting with communications on a number of other European projects.

Background

Beatrice has a background in social and political sciences. She previously served as deputy editor of the Green European Journal, a European-level publication producing analysis on a broad range of issues in connection to the European green movement. Prior to that she worked as a sub-editor and contributor at a national newspaper in Turkey. She has also worked as press officer for a pan-European youth organisation.

Languages: English, French, Italian, Turkish
