

Carmen Valache

Communication Officer

At ACR+

Carmen is an experienced communications professional who is passionate about environmental sustainability, particularly about the circular economy and the Energiewende. Having worked as a business journalist across three continents and over the course of seven years, she moved to Berlin in 2017 attracted by the world of high tech. At ACR+, she is in charge of managing the European Week for Waste Reduction ([EWWR](#)) and of general communications activities.

Background

Carmen studied International Studies and Spanish at Yale University (BA) and Environmental management and policy at Lund University (MSc). Over the course of her career, she has worked in bio threat prevention at Georgetown University, teaching English at the Central Bank of Spain, copywriting for various publishers of business guides around the world, for Eastern European business publication bne IntelliNews and for high-tech startup accelerator and consultancy AtomLeap in Berlin.

Languages: English, Spanish, Romanian, German
