

## Hélène Konopski

### Management Controller

#### At ACR+

Hélène Konopski is the Management Controller of ACR+. She is responsible for the Human Resources and Finances (daily management, budgets, management & project reporting, year-end closing, etc.).

#### Background

Hélène holds a Master's degree in Management Control and Audit from the University Paris Sorbonne. She has extensive experience as a senior accountant, financial consolidator, financial analyst and management controller in three different countries in both multinational companies and NGOs. She has in-depth knowledge and comprehensive experience of the set-up of analytical, legal accounting and management control systems and in the financial management of EU funded projects (Life, Horizon2020, Structural funding, Erasmus+, Europaid, etc.).

**Languages: French, English**
