

## Philippe Micheaux Naudet

Deputy Secretary General

Senior Project Manager

### At ACR+

Philippe Micheaux Naudet is Deputy Secretary General of ACR+, responsible in particular for projects supervision and proposals. He is also in charge of the global circular economy capacity-building and strategic processes (European Circular Economy Stakeholders Platform, Urban Agenda Partnership on Circular Economy, etc.). Furthermore, as Senior Project Manager, he is in charge of several projects linked to circular economy, waste prevention and recycling (the **Circular Europe Network**, **CIRCTER**, **INTHERWASTE** and **URBANREC**).

### Background

Philippe holds diplomas in European Law and Environmental Management. He has wide experience in project management and communication, including project planning, implementation, follow-up and evaluation. He has a deep experience in European project management not only regarding technical aspects but also providing expertise in the field of communication and dissemination of good practices and other project outputs.
