PPI Training

Useful resources and approaches to PPI in waste

PPI training – Location of the training

Date of the training

# Useful resources and approaches
General information on PPI

- **Guidance** for Public Authorities on Public Procurement of Innovation - https://www.innovation-procurement.org/fileadmin/editor-content/Guides/PPI-Platform_Guide_new-final_download.pdf

- **State of the art of emerging solutions** - http://www.ppi4waste.eu/wp-content/uploads/2016/07/PPI4Waste-State-of-the-Art-report.pdf

- **Best practice case studies** – winners of PPI Awards - http://www.innovation-procurement.org/award/

- **PPI and PCP resources** of interest to procurers, policy makers, researchers and other stakeholders - http://www.innovation-procurement.org/resources/

- The **EAFIP toolkit** - http://eafip.eu/toolkit - support to policy makers in designing PCP and PPI strategies, and to procurers and their legal departments in implementing such procurements.

Useful resources and approaches
General information on PPI

- Introduction to **intellectual property rights** in Public Procurement of Innovation - https://www.innovation-procurement.org/fileadmin/editor-content/Guides/Intellect_Property_Rights_guide-final.pdf

- Introduction to **Risk Management** in the Public Procurement of Innovation - https://www.innovation-procurement.org/fileadmin/editor-content/Guides/PPI_Platform_Risk_Management_Guide_final.pdf

- Guide for implementation of innovation oriented Public Procurement in the water sector - http://www.waterpipp.eu/sites/default/files/WaterPiPP%20HTG%20EU%20Level%20Edited%20DEFINITE%20Protected.pdf

- Green Public Procurement **Case studies** in the waste management sector - http://ec.europa.eu/environment/gpp/case_group_en.htm

Useful resources and approaches
European waste-related projects and initiatives

- Project **Gypsum to Gypsum** – Recycle and reuse of plasterboards in the construction industry - http://gypsumtogypsum.org:

- Project **Wastecosmart** - Increasing regional innovation capacities for resources efficiency and integrated waste management through cooperation, research and technological development

  - http://www.wastecosmart.eu/en/library/

  - E-learning tool: http://www.wastecosmart.eu/contents/deliverables/elearning-tool.pdf

Useful resources and approaches
European waste-related projects and initiatives

- **ACR+ Database** of existing best practice cases on waste management
    - Pay as you throw cross analysis - http://www.acrplus.org/index.php/en/virtual-library/viewdownload/11/2732
    - Circular Europe Network - http://www.circular-europe-network.eu

- **Project LOWaste** – project on prevention, reuse and recycling of waste in a logic of public-private partnerships.
    - http://www.lowaste.it/en
    - http://www.lowaste.it/en/documenti/index.html

Useful resources and approaches
European waste-related projects and initiatives

- Project **plastic Zero** - http://www.plastic-zero.com - Project with participation of eight European partners aimed at reducing the amount of plastic in the waste stream for incineration and landfilling.

    - Interesting publications: http://www.plastic-zero.com/publications/publications-of-plastic-zero-(1).aspx

- **Zero Waste Scotland** - http://www.zerowastescotland.org.uk - Plenty of case studies and useful reports

- Project **ReBUS** – http://www.rebus.eu.com – on how businesses and their supply chains can implement resource efficient business models
