FLANDERS MATERIALS PROGRAMME

From horizontal waste management to circular materials management.

TOGETHER WE
MAKE TOMORROW
MORE BEAUTIFUL

www.acrplus.org

Flanders Materials Programme

Focus on 4 issues in materials management (MM):

- ▶ Construction MM
- ▶ Plastics MM
- ▶ Bio-economy (renewable resources)
- ▶ Critical metals MM

Cooperation between government, industry, expertise centers, civil society

www.acrplus.org

Flanders Materials Programme

- New business models
- An adapted legislative framework
- Creating and stimulating innovative services
- Setting up dedicated investment programmes

Have to reduce the need for materials in a circular economy
