

LONDON REMADE

The business of recycling

Daniel Silverstone

Chief Executive

LONDON REMADE

The business of recycling

Who are we?

A not for profit environmental consultancy
helping London meet its waste reduction
and recycling targets

LONDON REMADE

The business of recycling

What do we do?

- develop markets for recycled products
- broker new recycling infrastructure
- grow green enterprises
- introduce green practices to businesses

LONDON REMADE

The business of recycling

Our achievements

- stimulated £548 million spend on recycled products
- constructed 2,250,000 tonnes of recycling capacity
- diverted 1.8 million tonnes of waste from landfill
- created 915 jobs
- advised 400 businesses into the sector
- 300 people trained
