<b>About the organisation</b>	GTZ Works worldwide in the field of international cooperation for sustainable development. His mandate is to support the German Government in achieving its development objectives. GTZ provides viable, forward-looking solutions for political, economic, ecological and social development in a globalised world. Sometimes working under difficult conditions, promotes complex reforms and change processes. The main objective is to improve people's lives on a sustainable basis. Most of activities are commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ). GTZ operate on behalf of other German ministries, the governments of other countries and international clients – such as the European Commission, the United Nations and the World Bank – and the private sector.
