About the organisation

Agence Française de Développement (AFD) is a financial institution and the main implementing agency for France's official development assistance to developing countries and overseas territories. It finances projects, programs and studies through grants, loans, guarantee funds, and debt reduction-development contracts and provides capacity development support to its partners in developing countries.

Type of assistance

A range of financing tools for development that meets the needs of developing countries:

- Loans
- Subsidies
- Guarantees
- C2Ds | Debt Reduction-Development Contracts
- Private equity

Direct 50% of financing commitments to non-sovereign entities, such as local governments and authorities, businesses and non-governmental organizations.

Types of organisation receivable

- NGOs
- Local and regional authorities
- Academic Circles
- Companies

Priorities

- Promoting economic growth
- Fighting poverty
- Preserving "Global Public Goods" (fighting climate change and pandemics and preserving biodiversity)

Target group

Poor countries, communities, organisations

Sector	Data	Fiche: CN007
Geographic area	Developing countries in Africa, Asia, the Mediterranean Basin, the Middle East, South America, and the French Overseas Territories, including Algeria, Egypt, Jordan, Lebanon, Morocco, Syria, Palestinian Territories, Tunisia, Turkey (selection)	
General procedure and condition for financial contribution	<p>Selection procedure:</p> <ul style="list-style-type: none">• Submission of application for project funding by the local contracting authority to the AFD offices that identify the contractor (the choice of contractors lies with the contracting authorities)• AFD and contractor undertake a preliminary appraisal of the project idea• Feasibility study is carried out by a consulting firm• Study on technical, economical and financial viability of the project• Borrower draws up financial plan <p>The decision to grant funding is only taken if all the conditions for the project's success seem to be met and are agreed on by the contractor. The funding is then approved by the AFD's appropriate decision-making body (Supervisory Board, States Committee or Overseas Committee). The beneficiary then signs a loan or subsidy agreement with the AFD.</p> <p>Condition:</p> <p>AFD only contractually undertakes to finance a project provided (1) there is a favourable outcome to AFD's preparation and appraisal procedure for the relevant project, (2) its internal decision-making bodies approve financing for the relevant project and (3) the financing agreement is signed with terms that are satisfactory to AFD.</p>	
Information or documentation required	Application for project; for details contact the relevant local office
